Soon afterward by the physician who attended her life had been saved by the physician who han of Pittsburg. The Repogle-Babcock group controls 26 per cent. of the total outstanding securities.

group controls 26 per cent. of the total outstanding securities.

The rise of Mr. Repogle to a leading position in the steel trade at the age of 38 has been accomplished primarily by his own hard work. Born in Johnstown, Pa., he entered the employ of the old Cambria company at the age of 11 as a water boy. He advanced from one position to another, finally becoming vice-president, a post from which he resigned in March last.

In the recent past Charles M. Schwab of the Bethlehem Steel Company made persistent efforts to secure control in the Cambria company, hoping to conform Canada. She snoke of a recent form Canada.

the Cambria company, hoping to consolidate it with his other large properties. In the thick of the fight between Schwab and William H. Donner, the Atlanta papers.
